BALOCHISTAN GLASS LIMITED

*B*alochistan Glass Limited (BGL) is one of the largest leading manufacturers & suppliers of glassware in Pakistan, since its inception as a public limited company in 1983, has established itself as a pioneer in the glass manufacturing industry has gained acclaim as a well established glass manufacturer and supplier within the market.

BGL is ISO 9001:2000 certified company, for its excellence in product standards. It was additionally the first glass manufacturer in the country to gain the approval of a quality assurance board and producing 410 tons of glass a day, consisting 310 tons containers & 100 tons tableware. BGL flaunts an impressive ability to formulate quality goods at an astounding pace, an ability that truly sets it apart from its competitors.

Marimax Glassware, Group of Balochistan Glass, with its well-designed, functional and fashionable items, aims to be a leading “value-for-money” manufacturer, serving under “Marimax” brand label and offering excellent value to customers from various market segments i.e. Europe, America, Middle East, Africa, Asia and Far East

Marimax presents its “essentials” catalogue which contains a wide range of products varying from everyday use basics to selected lines for special occasions. The catalogue aims to meet the needs of the markets and the expectations of the buyers, furnishing you, the professionals, with all the necessary information in the most compact and convenient way.

Marimax would like to welcome you to its world of glassware and to a long-term collaboration and success.
